

Accessing the Conference Through Whova

The Mobile App:

- **Step 1:** Download the Whova app on the IOS and Google Play Store
- **Step 2:** Enter the email address used for event registration, or log in with a social media account.

*To automatically log in to your event, please make sure to use the email you used when registering for the event.

Step 3: Create a password and type in your name.

Step 4: The Whova app will automatically take you to the WiDS Charlotte event page. If the event does not show up automatically, **search for it.** Then click the **join** button at the bottom of the event description page.

Step 5: On the conference homepage, click on the **Agenda** icon (on the bottom of the screen, second from the left) to view our breakout sessions.

Step 6: To view each individual session, click on the name of the presentation to open it.

Step 7: If you want to add sessions into your personal agenda, return to step six and then click on **"Add to My Agenda"** (middle of the screen-above the Overview). Creating an agenda in advance will save time.
